

“Hang with the Best” in 2017 on the Gala Photo Calendar!

GALA members are urged to send in photographs of your camelids. As you contemplate photos for this calendar, keep in mind scenes and shots that would be appropriate for the various months of the year.

Photos might reflect beauty, humor and, of course, the joys of sharing life with our camelid companions!

Photographs to be used in the calendar will be selected by the GALA Calendar Team. By submitting photos to the GALA Calendar, you are granting the use of such photos to be used in the GALA Photo Calendar project.

Maybe you have appropriate photos that were taken some time ago. Those are fine as well. Please note: the Photo Calendar is in addition to our Conference Photo Contest.
